The Deputy Commissioner of Land Records in addition to his normal work had also supervised the Akar work done in the districts of Bangalore, Tumkur, Mandya, Kolar and Chitradurga. The Deputy Commissioner for Settlement and Additional Deputy Commissioner for Settlement had supervised the Akar work in the remaining districts in the State. The writing up of settlement registers in respect of 26 villages was not completed. Of these 18 are ex-Inam villages of Bellary District. The survey work in respect of the remaining 8 villages was in progress. The work in respect of 2 villages was completed leaving a balance of 6 villages.

Expenditure.—The total expenditure of the Department during the year under various heads was Rs. 95,78,994.

Earning of the Department.—The total earning of the Department during the year from all sources amounted to Rs. 6,74,467-09.

The work of the Department on the whole was satisfactory.

By Order and in the name of the Governor of Mysore,

M. K. MADAPPA,
Under Secretary to Government,
Revenue Department.

HEALTH AND MUNICIPAL ADMINISTRATION SECRETARIAT

Reviews the Annual Administration Report of Indian Medicine Department for the year 1964.

READ—

Letter No. IMI-21/67-68, dated 13th March 1968 from the Director of Health Services.

ORDER No. HMA 387 RIM 66, BANGALORE, DATED THE 22ND JANUARY 1969.

Dr. H. G. Sattur, M.B.B.S., M S., Director of Medical Services in Mysore, Bangalore, continued to be the *Ex-Officio* Head of Department of Indian Medicine during the year under report, *i.e*, 1964. He was assisted by the Assistant Director of Medical Services (Indian Medicine), Bangalore.

The District Surgeons of the various districts continued to be the Inspecting Officers of the Ayurvedic and Unani Dispensaries of Indian Medicine in the State.

Hospitals and Dispensaries.—During the year under report, there were 531 dispensaries existing in the State as shown in the margin out of which there were 8 Hospitals including Government Hospitals and 523 Dispensaries.

Government Hospitals	2
Private Hospitals	6
Ayurvedic Dispensaries including R. M. P. S. M P.	455
Unani Dispensaries	65
Homoeopathic Dispensaries	3
Total	531

The average population served by each Dispensary was 3448 and average area served by each dispensary was 140.7 Sq. miles.

Special Services.— (a) There was a 10 bedded maternity ward in Sri Jayachamarajendra Institute of Indian Medicine, Bangalore.

(b) X-Ray facilities were also available in the following Institutions :

(1) Sri Jayachamarajendra Institute of Indian Medicines, Bangalore and Government College of Indian Medicine, Mysore.

(2) Private massage Institutes were run in Bangalore which were in receipt of monthly grant of Rs. 65 per month from the Government of Mysore.

1. *Sri Jayachamarajendra Institute of Indian Medicine, Bangalore.*—The bed strength of the Institute was 220 out of which 112 beds were set apart for male and 180 for women and children.

In-patients.—Total number of in-patients treated as on 31st March 1965 was 5661 the daily average being 197.

Out-patients.—Total number of out-patients treated was 5,40,460 and the daily average was 1481.

(1) *Medical Personnel.*—The number of doctors working in this Institution during the year was 28.

(2) *Nurses and Midwives.*—The total number of nurses and midwives working in this Institution during the year under report was 16 and 2 respectively.

The income realised by levy of fees from the in-patients in Sri Jayachamarajendra Inrtitute of Indian Medicine, Bangalore, in the special wards during year 1964 was Rs. 13,479-29 as against Rs. 17,404 during the previous year.

2 *Government College of Indian Medicine, Mysore.*—1. Beds : There were 120 beds, out of which 52 were for men and 68 for women and children.

Out-patients.—Total number of out-patients treated as on 31st March 1965 was 85,693, the daily average being 234.77.

Medical Education.—To impart training in Indian Medicine, to make available competent practitioners in indigenous systems of medicine, the following were the colleges for Indian Medicine existing in Mysore State:—

1. Government College of Indian Medicine, Mysore (Government College).

Private Colleges :

2. Taranath Ayurveda Vidyapeetha, Khasbag, Bellary,
3. Karnataka Ayurveda Vidyapeetha, Belgaum,
4. Shuddha Ayurveda Vidyalaya, Hubli,
5. Ayurveda Mahavidyalaya, Bijapur,
6. Bangalore Ayurvedic College, Bangalore,
7. Ayurvedic College, Bagalkot,
8. Ayurvedic College, Hubli,
9. Shuddha Ayurveda Vidyalaya, Gadag,
10. The College of Indian Medicine, Badkibal.

From 1964-65 Shuddha Ayurvedic Course (Ayurveda Praveena) was introduced replacing the G.C.I.M. and D.S.A.C. Courses, the duration of the course being 4½ years including internship of six months. The private institutions were sanctioned annual grants as per grant-in-aid rules in force. The duration of G.C.I.M. is 5½ years including internship of six months in the following Colleges leading to the graduate courses (GCIM). This course was continued in the following colleges for the remaining students who were studying in the Colleges in 1964.

1. Government College of Indian Medicine, Mysore (Government College)
2. Karnatak Ayurveda Vidyapeetha, Belgaum (Private College),
3. Taranath Ayurveda Vidyapeetha, Bellary (Private College).

Scholarships also were sanctioned to the students of the Colleges with fee concessions.

All the colleges had adequate staff duly qualified to teach the candidates.

Government Central Pharmacy, Bangalore —The principal function of the Pharmacy as Central Organisation consisted in supplying Ayurvedic and Unani Medicines to all Government and Semi-Government Hospitals and Dispensaries in the State.

During the year under report a lumpsum grant of Rs. 20,00,000 was provided to meet the expenditure on pay of establishment, contingencies and purchase of drugs, etc., required for the preparation of medicines.

Ayurvedic and Unani Medicines were prepared and supplied to the dispensaries under the Bangalore City Corporation and the Employees State Insurance Scheme and two Government Hospitals, *viz.*, Government College of Indian Medicine, Mysore and Sri Jayachamarajendra Institute of Indian Medicine, Bangalore, S. M. P. Centres, Government Ayurvedic Dispensaries in the Districts, Raichur, Gulbarga and Bidar and all the Taluk Board Dispensaries.

Research.—The Board of Research was constituted during the year 1964 to advise on research in the State. As per Government Order No. PLM 44PIM 63, dated 21th April 1964, sanction has been accorded for two Research Schemes, one in Sri Jayachamarajendra Institute of Indian Medicine, Bangalore, on Jaundice, and the other at Government College of Indian Medicine, Mysore, on fundamental principles of Ayurveda (Diagnostic methods) at a cost of Rs. 20,000 each per year per scheme. They are Centrally sponsored schemes.

Homoeopathic Medical Relief Education and Registration.—1. There were two Homoeopathic dispensaries maintained by All Karnataka Homoeopathic Medical Association: One dispensary was working in Asoka Nagar, Bangalore, in Urban Area and the other at Koramangala, Bangalore, in Rural Area.

2. Hahnemenian College of Homoeopathic Medicine, Bangalore, maintaining one hospital and two dispensaries.

3. Chinmaya Homoeopathic Dispensary, Bangalore.

4. Devi Charitable Clinic, Srirampuram, Bangalore.

5. Homoeopathic Dispensary, Gandhi Memorial Ashrama, Nandi Hills, Kolar District.

All the above Institutions were sanctioned grant-in-aid as per grant-in-aid rules.

Inspection.—The work of inspection of the hospitals and dispensaries in each district was entrusted to the respective District Surgeons. Accordingly the work of inspection of Hospitals and Dispensaries in each district was carried out by the respective District Surgeons and the annual verification of sesvice registers and stock registers was carried out regularly and satisfactorily during the year under report.

Conclusion.—The State Council of Indian Medicine, Board of Studies in Indian Medicine and Board of Research in Indian Medicine functioned satisfactorily during the year under report and gave valuable suggestions for the improvement of the indeginous systems of medicine in the State.

The work of the Department on the whole was satisfactory during the year.

By Order and in the name of the Governor of Mysore,

I. S. SHAIKH,
Deputy Secretary to Government,
Health & Municipal Administration
Department.
